THE FIRST POLICE UNION

**EUROPEAN POLICE UNION**

Att. ALL MEMBERS

*Dear Friends,*

*We would like to express our sincerest support in these trying times. The Croatian Police Union sympathizes with all those affected by the recent COVID-19 outbreak, especially with those in the hardest hit areas of Europe, which counts many of you.*

*We hope you are able to keep yourselves, your families and the citizens of your countries safe through this trial.*

*At this time we invite you to stay calm and focused, keep observing the self-protection measures prescribed by the epidemiologists and, above all, never lose hope. Because this too will pass and we will be able to resume with our normal lives.*

*Until then, stay safe!*

*Best regards,*

Dubravko Jagić,  
President, Police Union of Croatia
